

## Athletic Letter

I would like to take this opportunity to thank all of you for your support of the many activities and athletic programs here at Crowley County High School. Whether we are parents, teachers, staff or simply Charger supporters, we are proud of our students as they dedicate and commit themselves to their chosen athletic endeavors.

We encourage participation in athletics because it provides our students with important lessons for life such as teamwork, hard work, self-discipline, sportsmanship, honesty, courage and fortitude. By offering a wide variety of programs – our students can find a place where they can apply their personal skills and talents as our school continues its rich tradition.

Our community has high standards regarding sportsmanship and conduct. We expect our students and coaches to uphold these standards at all times. I would ask that you, as a spectator, reinforce these standards when you interact with the opposing teams, coaches and contest officials. The athletic department is grateful to our parents and fans that provide unrelenting support, energy and enthusiasm for our student-athletes and coaches.
