

Handbook Changes

The handbook is designed to be a guide of expectations for the students of Crowley County Jr./Sr. High School. At any time the administration may see a need to amend and interpret the following expectations and procedures as he/she sees necessary.

MISSION STATEMENT

Crowley County School District strives to prepare all students to be college and career ready, through a safe and disciplined environment.

WELCOME!

The staff at Crowley County Jr./Sr. High School would like to take this opportunity to welcome you. We are extremely proud of the programs we offer our students, and we encourage you to make the most of your time with us.

This handbook has been developed by our faculty and administration to help you and your parents learn as much as possible about school policies and procedures and the services we offer students. It is a quick reference that can also be found on the school website which we hope you will find extremely useful as questions arise throughout the school year.

We look forward to this school year with great excitement and hope all of our students will have a rewarding and successful year.

TRADITIONS

Crowley County Jr./Sr. High School is rich with traditions. Our colors are red and white and we are known and feared abroad as the Crowley County Chargers/ Mustangs. Our school always puts learning first, friends second and fun third. This way we all know what we believe in and why we are here at school in the first place. Once we get learning underway, the friends and fun are even that much better.

EQUAL OPPORTUNITY EDUCATIONAL INSTITUTION

Crowley County Jr./Sr. High School is an equal opportunity educational institution and does not unlawfully discriminate on the basis of race, color, national origin, sex or disability or in admission or access to or treatment or employment in its educational programs or activities. Inquiries concerning Title VI, Title IX, Section 504 and ADA may be referred to the Office of the Superintendent, 1001 Main Street, Ordway, CO 81063, (719) 267-3117 or to the Office of Civil Rights, US Department of Education, Region VIII, Federal Office Building, 1244 North Speer Blvd, Suite 310, Denver, CO 80204, (303) 844-2991.

VISITORS

The Board encourages parents/guardians and other citizens of the district to visit classroom, activities, and functions at any time to observe the work of the school. In order to ensure that no unauthorized persons enter the buildings with wrongful intent, all visitors shall report to the office when entering, show proper identification and the reason for being at school. Visitors will wear nametags, which will identify them as visitors. Students may not bring student visitors to school.

TOBACCO, ALCOHOL AND DRUG FREE SCHOOLS

In accordance with federal regulations, Crowley County Jr./Sr. High School is tobacco, alcohol and drug free. Students, parents and staff are not allowed to use any controlled substance at school. Smoking and chewing is not permitted on school grounds or during any activity involving school aged kids.

ATTENDANCE PROCEDURES

One criteria of a student's success in school is regular and punctual attendance. Frequent absences may lead to poor academic work, lack of social development, and possible academic failure. Regular attendance is of utmost importance for school interest, social adjustment, and scholastic achievement. No single factor may interfere with a student's progress more quickly than frequent absences or tardiness.

ABSENCES

A student who is attending any school-sponsored activity with advanced approval of the administration will not be considered absent. If a student misses more than ten minutes at any time during a class period, he or she will be counted absent. The maximum number of absences a student may incur before forfeiture of credit shall be (8) absences per class during any fall or spring term. Students and parents will be notified, in writing when six (6) days of absence per term have occurred. When a student reaches more than (8) absences, they will receive a loss of credit notification in the mail. Exceptions for extenuating circumstances may or may not be granted by the administration.

MAKE-UP WORK/LATE WORK

It is the responsibility of the student to pick up any make-up assignments due to absences. There shall be one (1) day allowed for make-up work for each day of absence. Work assigned prior to an absence is due immediately upon return. Students absent due to school-related activities are responsible for all assignments missed due to that absence prior to leaving for the event. Lunch detention will be assigned for late work. Failure to attend detention and make up the assignment will result in a permanent zero in the gradebook and could affect eligibility and finals.

HONOR ROLLS AND CLASS RANK

Student honor rolls are identified at the close of each semester grading period. The Superintendent's Honor Roll contains the names of students who received all "A" grades. The Principal's Honor Roll contains the names of students who have maintained a 3.5 grade point average or higher. To be included on the honor roll a student must be enrolled in at least five classes each semester. Class standing is computed by using semester grades. A's count 4 points, B's count 3 points, C's count 2 points, D's count 1 point, and no points are given for F's. The total grade points earned, divided by the number of classes taken gives the grade point average (GPA). S grades or Summer School grades are not used in the GPA calculations. U grades are averaged as F's and count in the calculations. CCHS does not recognize weighted classes.

SPECIAL EDUCATION

The special education department outlines special education student's graduation requirements. To qualify for a diploma, a student must meet requirements of Board Policy, IKF, or must have requirements specified in the student's Individual Education Plan.

TERM TESTING

Tests given at the end of each semester are actual final exams for the course and are required in all classes. Tests will be scheduled the last few days of each semester. Final exams count 20% of the grade for the class.

PROGRESS REPORTS

These reports are actually "mini grade cards" showing the grade in each respective class at the time of issuance. Grade reports are available through Goedustar®. Parents may sign up for Goedustar access by emailing admissions@cck12.net to receive a login and password. A grade report may be obtained by those parents not having internet service by contacting the guidance office at 267-3582.

TRANSFER AND WITHDRAWAL

Transfer students must have their program for meeting graduation requirements approved by the principal. Students withdrawing or transferring to another school must first secure a clearance form in the guidance office, obtain the signature of each teacher on the student's schedule, the office secretary and the librarian, before returning the completed clearance to the guidance office. Without this clearance and payment of fees, records will not be forward to the new school or institution.

TARDIES

Tardiness is defined as the appearance of a student without proper excuse after the scheduled time that class begins. Tardiness of more than ten (10) minutes will be considered an absence. Every three tardies in a class will result in an additional absence.

SIGN IN/OUT OF SCHOOL

Students must sign in to the office anytime they arrive on campus after the school day begins. Students may only be signed out of school by those listed on their official sign-out form once they arrive on campus.

LOCKERS

Locker assignments are made in the office and may not be changed without permission. Students are responsible for personal property and will be charged for missing school property that is not returned. The school is not responsible for lost or stolen items. Lockers should be kept locked at all times when not in use. Combinations should not be shared. Contraband or illegal items found in lockers will be considered the property of the student to whom the locker is assigned.

HALL PASSES

Hall passes are required during class time. A pass must be obtained from the teacher upon leaving a room and submitted to the teacher with any appropriate signatures upon returning.

STUDENT LOUNGE/CONCESSION AREA

Use of the lounge and concession area is a privilege and subject to restriction. They are available for use before school, at break, at lunch, after school and by permission from the office for any other time.

STUDENT INTERNET USE

Use of school computers and the internet is a privilege. Before a student earns this privilege a Student Use of Internet Agreement Policy must be signed and returned to the high school office. Any violation of the policy could result in suspending or revoking a student's internet privileges.

COMPUTERS/TEXTBOOKS

The school district provides computer use in lab situations and textbooks at no cost to students. Students will be assessed the replacement or repair costs on lost or damaged items. Passwords should not be shared.

GRADING SYSTEM AND REPORT CARDS

PHONE RESTRICTIONS

Students will not be called out of class for calls received during the school day unless it is an emergency. Students will be notified of all calls and messages. Teachers will not give permission to students to come to the office during class time to use the phone except in cases of emergency. In such cases, the student must possess a pass to the office with a written explanation for the emergency and use of the phone. Being late to class for use of the phone is considered an unexcused tardy.

CELL PHONES AND PERSONAL ELECTRONIC DEVICES

Use between the first bell and the end of the day is prohibited with the exception of break and lunch period. Cell phones and other personal electronic devices must be turned off during the prohibited time unless use for a classroom assignment is granted by a staff member. Items found not turned off during this time will result in confiscation. The first two times a student's phone is confiscated the student can serve an after school detention or leave it for 24 hours. The third time a student's phone is confiscated will be considered a "Habitual Offense" and the appropriate proceedings will then take place.

STUDENT VEHICLES

All students must park their vehicles on the street immediately adjacent to the school building or football field. Students may not visit vehicles during the school day (includes lunch) without permission. Vehicles are not to be moved after being parked unless the school day is over or the student has a parent check him/her out of the office. Students are not authorized to park in the Ag shop area behind the gym. Athletes or students may park near the athletic field after 4:30 P.M. on game days or when scheduled activities require students to travel.

SEARCHES

The school administrator retains control over items loaned to the student and regulates admission and parking of automobiles. Principals have the right and duty to inspect and search students' lockers and desk space, and student or non-student automobiles if the principal reasonably suspects that drugs, weapons, illegal or prohibited matter or stolen goods are likely to be found. The student's person and belongings may be searched in exercise of the school's duty to enforce discipline and protect the health and safety of the offending student and/or student body. The fruits of such search may be turned over to the police and the offending student may be subject to criminal or juvenile court prosecution and/or school disciplinary proceedings.

A	90-100%	Excellent	I	Incomplete
B	80-89%	Good	S	Satisfactory
C	70-79%	Average	U	Unsatisfactory
D	60-69%	Poor		
F	Below 60%	Failure		

Final Grades at the end of a term are computed each quarter as 40% (percent) and the final exam as 20% (percent). Reporting is done on a quarterly basis. Parent/Teacher conferences are held the 1st and 3rd quarters. All grades are a cumulative average from the first day of the quarter to the last day of the quarter. Incomplete grades must be made up within one week after the end of the quarter. After one week the grade automatically becomes an "F". No incomplete grades will be given at the end of semesters. Check with the office concerning unusual circumstances that might not be addressed by this policy. An incomplete is given in those circumstances where illness, emergency or by pre-arrangement, the student has not been able to complete his/her assignments. Vacations or parent visitations are not considered to be emergencies and are not grounds for receiving incomplete grades. Report cards and transcripts of students who owe money to the school will be held if the fees are not paid.

ELIGIBILITY

All students are subject to the eligibility rules that are found in the Colorado High School Activities Association Handbook and in the Crowley County board policy manual. Eligibility, as far as scholastic standing and citizenship are concerned, depends on whether the student's academic effort and citizenship performance in each class earns him/her the privilege of participating in extracurricular activities (athletic events, field trips, club or organizational competitions, royalty etc.). The principal will pull a list from our grading system of the student's not meeting the requirements on Tuesday morning of each week to go into effect immediately for that Tuesday thru the following Monday activities. A student is deemed to be ineligible in the event he/she receives any more than one F grade. Students who have not met the academic requirements at the close of a semester may regain academic eligibility on the sixth Thursday following Labor Day for the first semester and on the Friday immediately prior to March 10th for the second semester. **A student must be in attendance the entire day in all classes in which he/she is enrolled to be eligible to participate in activities that day, evening, or following morning.**

be screened. Health screening consists of hearing and vision, and could include any or all of the following: height, weight, blood pressure, body mass index, dental, spine, and scalp. If you do not want your child to be screened for these conditions, you may choose to opt out by notifying the school nurse in writing at the beginning of the school year.

EXCLUSION FROM SCHOOL DUE TO ILLNESS

School attendance is important for students. The decision to exclude students who have an infectious disease from school should be made in conjunction with the school nurse, health care professional and/or parents/guardians. These precautions are necessary to help protect and preserve the health and wellness of our staff and students at CCSD and their families. If your student is sent home with a fever or severe symptoms of illness and it has been recommended that you follow-up with the doctor for a possible contagious illness, a release from the doctor should be provided to the school when the student returns. If your student is diagnosed with a contagious illness and treatment with medication is prescribed by your physician, your student must be taking the medication for **at least 24 hours** before they return to school, or longer if recommended by the doctor. Students are allowed to return to school once the exclusion period is met, or a health care provider clears the student. If your child is running a fever (100 degrees or higher), they may return to school 24 hours after the fever has broken and symptoms have resolved. Generally, if any of the following signs or symptoms are present, exclusion from school should be considered:

- If your child does not feel well enough to participate comfortably in usual activities.
- If your child requires more care than school personnel are able to provide.
- If your child has a fever (100 degrees or higher), behavior changes, persistent crying, difficulty breathing, lack of energy, uncontrolled coughing, active diarrhea, vomiting, rash with a fever, or other signs suggesting a severe illness.

Reasonable accommodations will be made to reduce the child's exposure to agents that may cause anaphylaxis within the school environment. Please provide CCSD with any information regarding medications the child requires so that appropriate paperwork may be completed and placed on file in the health office. Parents/guardians should provide

MEDICATION DISTRICT POLICY

Medications are rarely necessary for students during the school day. They are justified for some chronic health conditions and for the short-term treatment of acute illnesses. According to Colorado State Law and School Board policy, students **SHALL NOT** be permitted to take medication while at school, unless such medicine is given to them by a school employee designated by the school nurse acting under specific written request of the parent/guardian and under the written instruction of the student's physician. In special circumstances, students are allowed to carry medication with them at school, if ordered by their physician, but additional paperwork must be completed and on file at the school. A Permission for Medication form must be filled out and on file at the school for your child to receive or carry medication at school. Please see the school nurse for a form to permit medications at school.

Prescription and all non-prescription, or over-the-counter medications, require the same completed paperwork. All medicine must be in the original labeled bottle/container from the store or pharmacy.

IMMUNIZATION REQUIREMENTS

All students attending public school, must have completed all immunization requirements for their age/grade level mandated by the State of Colorado. Or a completed personal, religious, or medical exemption form must be completed for the school. According to Colorado Revised Statute 25-4-9, you have two weeks to get your child updated and you must provide a copy of the documentation to the school.
